Assessor Comments	An opportunity to purchase a breeders top 85 % of their complete drop of 2020 ewe lambs. The ewes were bred from Greenfield Merino bloodline sires over Greenfield Poll merino ewes. The ewes have very good growth and weight for their age (June/July 2020 drop), and will grow into large frame, robust ewes that will prosper in both Pastoral and inside country conditions. Everything has been done to these ewes in preparation for their first mating- drenched, vaccinated and backlined. Please note that a further 58 ewe lambs from this drop and property are also for sale in this auction.
